LEGION LAUNCHES MEMBER DRIVE

Tom Bressler has been named to head the Membership Committee this year, according to a statement made by Sidney L. Bourgeois, Commander of the Clement R. Bontemps Post 139. Bressler headed the same committee last year when the group went over the 400 mark in the drive for new members and renewals of regular members.

The intensified activities in Community Service by the local Legion Post during the last year have caused several past members who have been out of the Legion for 10 or 15 years to rejoin recently. This same activity has brought several new members into the Legion. We believe that because we are a live-wire organization not only in community service but in veteran benefits and child welfare as well that many more will join during this membership drive, chairman Bressler stated.

"Our Post won a special citation for going over the 300 mark last year and also won two free trips to the National Convention by making the highest increase in membership. We are driving this year to surpass the 350 mark" Bressler said.

Veterans of the Korean War and World Wars I and II are eligible to join the local Post. Non-members are urged to take this opportunity to join a group that is a benefit and a credit to the Community and the Veterans. Veterans are not necessarily required to apply to anyone on the membership committee but may join through any other member of the Legion here or direct through Chairman Bressler at his Cafe opposite the Post Office, he pointed out.

Dues paid now cover the remainder of 1954 and all of 1955 and all members are urged to get their dues in during September to make this Post eligible to win another award from the State Legion Department, Bressler concluded.

CEDAR POINT FIRE BURNS TREES, LAWNS

Cedar Point residents were greatly concerned last Friday morning when a brush fire rapidly spread over a great area of northern Bay St. Louis, from Locality St. eating its way northward as far as Thomas St., and back for a considerable distance.

No buildings were burned but trees and growth were consumed in the blaze, and several lawns were burned to a crisp.

A fire alarm brought the fire truck and apparatus to the scene, as well as the Fire Department. Fire trenches were dug to prevent further spreading of the flames.

A heavy rainfall in the afternoon quenched a portion of the burning timber, but despite the downpour a number of trees and fallen timber continued to burn for several days, and during the night flames could be distinguished from these fires. Smoldering continued throughout Sunday, with wisps of smoke clouding the sky in that part of town.

Youth Center Fund Drive As Yet Only At The Half-way Mark

Contributions for the Youth Center fund drive picked up this week, but the goal of \$1200 has only reached the halfway mark. Any contribution, however small, will help keep this recreation center running for the youth of the community, the drive chairman said.

Contributions should be made to Mrs. Richard Shadoin or Mrs. Bennie Nobles. Contributions received this week include:

Local Women Attend Hospital Worker Course

A Hospital Workers Course for American Legion Auxiliary members was held in the Recreation Building Auditorium at Biloxi VA Center at 10:30 a.m. Sept. 10.

Women attending from Unit 139 included Mrs. Russell Elliott, president, Mrs. W. D. Bourgeois, Mrs. Ed Orte, Mrs. Rene Bernond, Mrs. Lena Davis, Mrs. Randolph Bourgeois. Attendance as a whole totaled over 50 who received 10 hours credit toward 50 hour pins.

Dr. W. L. King, acting manager of the VA Hospital, gave a welcome address and outlined the Medical Services, including the importance of correct care of patients in the hospitals by the Workers Aid.

Mrs. Florence Blanchard, Chief of Social Service, explained the duty of the American Legion Auxiliary is to act as liaison between patient and the Medical Social Worker.

Mrs. F. L. Dickson, Department President, in her address, said National membership quota was 10,000,000; it was almost met with 9,910,086 members. The state quota was 5,206 and Mississippi received the highest honors for going over their quota with 5,279 members. The goal for Mississippi for 1955 is 6,000—the quota is 5,404. The president's slogan is "A Pace in Service for 55."

Mrs. Dickson asked that Unit 139 attend the Area Conference in Laurel Thursday, Sept. 23. Units having reached their quota in membership will receive special awards and honors at the meeting.

The local unit also was asked to attend an orientation course at Biloxi Sept. 30 for VA Workers or Gulfport VA Hospital Oct. 13. Anyone in the Auxiliary is eligible to take the orientation course and be a volunteer hospital worker.

MISSISSIPPI 4-H WORK TO BE REPRESENTED AT STATE FAIR

JACKSON (Special)—4-H Club work in Mississippi will be represented at the 1954 Mississippi State Fair by many outstanding exhibits and displays, according to C. I. Smith, State 4-H Club Leader. The five 1953 National 4-H winners are to have exhibits depicting the work in which they excelled last year.

In addition to these outstanding exhibits, other Mississippi 4-H Club members, representing every county in the state, will have showings of crops, food, clothing, crafts, livestock and poultry.

A 4-H dress revue is scheduled for Friday, Oct. 15 at 1:30 p.m. in the State Fair Auditorium under the direction of Miss Mamie Brock, Clothing Specialist of the State Agricultural Extension Service. Premiums totaling \$200 will be paid by the State Fair to the winning entries in this contest.

Club members from eight counties will present method demonstrations at regular scheduled periods during Fair Week. Personality improvement platform presentations, sponsored by Black and White stores, are to be given by 4-H members who are eligible. The latter event will take place at 2 p.m. Friday, October 15.

The 4-H Song Leading and Talent Show promises to be an attraction that fair visitors will want to see. It is sponsored by the S. H. Kress Co. in conjunction with the Fair. Awards will amount to \$140 and the time and place of this program will be announced later.

Exhibiting is an important phase of 4-H Club work and the Mississippi State Fair affords 4-H members an opportunity to show the public what they are accomplishing in the various projects. These boys and girls who make exhibits and participate in demonstrations and the other activities during the State Fair receive instructions from County Extension workers, County Agents and their assistants and Home Demonstration Agents and their assistants.

The 4-H Department exhibits will be under the supervision of the State 4-H Staff, which includes in addition to Smith Miss Blanche Goad, Associate State 4-H Club Leader; C. M. Chaffee, Associate State 4-H Club Leader; M. A. Rowzee, Associate State 4-H Club Leader; and Ingrid Terese, Assistant State 4-H Club Leader.

The 4-H educational exhibits will be displayed in the Agricultural Building. It has been announced by J. M. Dean, State Fair Secretary, and \$1500 has been set aside for premiums and awards by the State Fair. United Gas will add 50 per cent in cash to the premiums offered by the Mississippi Agricultural & Industrial Exposition.

GRAND JURY REPORT

IN THE CIRCUIT COURT OF HANCOCK COUNTY SEPTEMBER TERM 1954 TO THE HON. LESLIE B. GRANT, CIRCUIT JUDGE PRESIDING:

We the Grand Jury empaneled for the regular September, 1954, Term of the Circuit Court of Hancock County having concluded our labors beg leave to submit this, our final report.

We have held in session for three days and we have examined thirty-five witnesses, considered sixteen cases and returned five true indictments.

We have inspected the county jail and the courthouse and find them to be in good condition, and insofar as we are able to ascertain, all of the county offices and the county property are being properly run and managed.

We have been alarmed by the numerous instances which have come to our attention during our deliberation of minors being permitted to patronize establishments selling beer and wine and we respectfully urge that the sheriff of this county and the district attorney take such proceedings as may be necessary to prohibit these conditions which we believe are contributing to the delinquency of our juveniles, and we strongly urge that all persons and businesses cooperate with the law enforcement authorities in this regard.

Numerous instances have come to our attention relating to the carrying of firearms by unauthorized persons and also to numerous threats of violence by certain individuals residing in the county. We strongly urge that the sheriff take immediate steps to prohibit the carrying of firearms by unauthorized persons and we further urge the sheriff and the district attorney in the interests of preserving the peace in this county to place certain individuals who have been made known to these officers by us under appropriate and sufficient peace bonds in order to prevent any instances of violence.

And now having concluded our labors, we respectfully beg to stand finally discharged.

County Awaits Results Of Hospital Funds Request

Moving swiftly in their determination to secure a new, modern hospital for Hancock County, the County Board of Supervisors voted last Monday to sign the application for funds. The application was forwarded Friday to the Mississippi Commission on Hospital Care.

Also signed was a notice of intention to propose a bond issue for \$70,000 to finance the project.

The Board room was crowded with many interested citizens. Delegations representing the King's Daughters Hospital Board and the American Legion were present, as were Drs. Samuel, Shipp, Smith and Wascom. All members of the Bay St. Louis City Council were present.

The ability of Hancock County to support the proposed 30 bed hospital was questioned by Leo W. Seal, local banker. Dr. Samuel went into detail to explain how the new hospital could be set up on a self-sustaining basis within three years. Mayor John Scafide, speaking for the City Council, told of the City's ability and willingness to contribute to the maintenance of the hospital. It was pointed out by Supervisor Hubbard that a present fund raised by a two mill tax levy would be adequate to make up the deficit, if any, in the operation of the hospital.

Supervisor Shaw called attention to a statement made by Foster L. Fowler of the Commission on Hospital Care in which he estimated the first year's deficit at \$12,000, the second year at \$6,000, and possibly the same for the third year, but after that time the hospital should be on a self-sustaining basis. Upon hearing these details, Seal withdrew his objections.

The question of the hospital being sponsored as a County Hospital was evidently settled. The City accepted a responsibility of contributing to the maintenance deficit.

Financing of the proposed hospital hit a snag when it was pointed out that a new tax would be needed to meet the proposed bond issue. Supervisors Jones and Kellar strenuously objected to a new tax. After a thorough study of the present County tax structure it was found that several other funds could be reduced to allow funds to be available with additional taxes.

Upon learning this, the Board of Supervisors voted unanimously to go forward with the plans.

Auxiliary Hears Needs of Red Cross, Scouts At Meeting Monday

The American Legion Auxiliary held its regular monthly meeting Monday evening Sept. 13 at the Legion home. Approximately 25 members and guests were present.

Mrs. W. L. Argus of the Red Cross was a guest speaker for the evening. She gave a talk on the work of the Grey Ladies and what they are doing to help the Veterans in the hospitals at Gulfport and Biloxi.

Mrs. C. C. McDonald spoke to the members about the Girl Scouts and the need of leadership for the scouts here in the Bay.

Plans are being made for the annual Harvest Ball.

At the close of the meeting delicious refreshments were served by Mrs. Randolph Bourgeois and Mrs. A. J. Noto, co-hostesses for the month of September.

More Oil Drilling Near Pearlinton by Sun

Sun Oil Company is reported to be making drill stem test in its Hancock County wildcat, the International-Alexander No. 4, sec. 20-9s-16w, located about three miles east of Pearlinton.

The depth is thought to be near 400 feet with the zone under test thought to be one of the intervals listed in Sun Co., abandoned International-Alexander No. 3, which was located near the current try.

The abandoned wildcat was plugged at June after operators set production casing to 5900 feet perforating and testing several zones in both the Wilcox and Het lime with only slight gas shows logged.

The current Sun venture is scheduled to be drilled to 10,700 feet and is operator's seventh try for production on its big block of acreage in Hancock since 1951.

VICTOR LUC JR, 39, DIES IN NEW ORLEANS

Victor Luc Jr., 39, died early Wednesday morning at Veterans Hospital, New Orleans.

Luc, a native and resident of Bay St. Louis except for the last few years, was the son of Mrs. Katie D. Luc and the late Victor Luc. He had served in the US Coast Guard during World War II.

He was married to the former Alice Adams of Lafayette, La., where they made their home.

Besides his wife and mother, other survivors include four brothers, Thomas, Luc of Pass Christian, Lawrence of New Orleans, Alvin and Donald J. of Morgan City, La., and three sisters, Mrs. Gerard Freeman of Bay St. Louis, Mrs. James Nease of Mobile, and Mrs. James Krawczynski of Houston, Texas.

Services were held at the Leitz-Egan Funeral Home in Gretna, La., with interment at Lafayette, La. this afternoon.

Forestry Queen To Be Named

The Annual Hancock County Queen of the Forest Contest will be held at the Kilo Youth Center Wednesday, September 22 at 1:30 p.m.

Any single girl 16 through 21 years of age who lives outside the Bay St. Louis City Limits is eligible to compete.

Contestants will wear school dresses. The girls will be judged on personality, poise and general appearance.

The winner will represent Hancock County at the District Contest to be held on October 7. The Lions Club of Bay St. Louis will sponsor the first place winner at the District Contest.

PATROLMAN KENNEY PLAYS BIG ROLE IN NABBING OF CONVICTS

State Highway Patrolman William P. Kenney of Bay St. Louis, who played a big role in the capture Tuesday of two desperate escaped convicts, was modest about it all.

Kenney and his comrade, Billy Sutherland of Canton, who together nabbed killer Gerald Gallego and with a group of other officers and possemen captured the tough partner, Minnie Sorber, attributed the successful climax of the four-day hunt to the work of bloodhounds, a helicopter and police officers from all over the state.

Said Kenney and Sutherland: "Didn't just one man capture those two. Police officers from all over the state cooperated better than anything I've ever seen."

After nailing Sorber with a group including Patrolmen J. H. Sarsley, H. R. Swindall and Deputy Rex Armstead of Coahoma County and Shorty Wilkie, night marshal of Charleston, Kenney and Sutherland got on to Gallego's trail about a mile southwest of the spot where his companion surrendered.

"The dogs split up," Sutherland said, "and Kenney and I were alternating holding the leash. I had just grabbed the leash from Kenney when the dog bolted toward this tree."

They said Gallego, bedraggled, unshaven and wearing rags around his swollen feet, stepped out from behind the tree with his hands up.

Riding in from Carthage after the capture of Gallego, Patrolman Kenney snapped his fingers. "Doggone," he drawled, "I left my handcuffs on that rascal. I've got to get them back. They'll charge me for them sure if I don't."

Marian Year Celebration Set

15 Year Old Industry Bio Economic Factor In Mississippi Growth

JACKSON (Special). Fifteen years ago this month, on Sept. 5, 1939, Mississippi's first commercial oil well was completed near Tinsley in Yazoo County, giving birth to an industry which today is one of the state's most important.

The discovery well, an exploratory venture drilled in Union Producing Company established the Tinsley oil field and started an influx of new faces and new dollars into Mississippi which is still going on.

Today there are 95 productive oil or gas fields in Mississippi. The state ranks tenth nationally in annual production of crude oil, seventh in natural gas output.

Four processing plants are operating in Mississippi, two of them crude oil refineries of the Southland Co., a Mississippi enterprise. Cracking 74 of the state's 82 counties are located 400 miles of oil, gas or product pipelines which bear an 11-cent volume tax assessment higher than all other states.

age of all economic activities in Mississippi. In all the production and activities of the oil and gas industry has added well over one billion dollars to the Mississippi economy, according to E. D. Kennedy, spokesman for the Mississippi Alabama Division, Mid-Continent Oil and Gas Association.

The industry association, of which Kenna is executive vice president, represents oil companies and independent oilmen, dispatching to nearly all of the oil fields in Mississippi.

They are expected to produce more than 100 million barrels of oil and gas this year, says a spokesman for Kenna.

These expected figures take the form of production, taxes and lease payments paid to state and federal governments, and wages paid to workers in the Mississippi oil industry.

LOGTOWN Locals...

BY CLAUDIA MURPHY

Guests of Gloria McArthur Sunday were Bernice Klein and Richard Prim of Biloxi and Dorothy and Chilton LaFontaine of Lakeshore.

Don't forget the benefit Saturday night, Sept. 18 at 7:30 at St. Joseph Parish Hall.

Mrs. W. W. McArthur and daughter, Barbara Ann, visited in Logtown Sunday.

Mr. and Mrs. C. W. Fountain and Miss Alma Parker visited their sister, Mrs. A. B. Honea, in Piquette Sunday.

Logtown School has had a large increase in enrollment this year and the faculty, Oscar Breland, Principal, Mrs. Rosalie Crawford, Mrs. Jennett Casanova and Mrs. Wilmer Johnston are looking forward to a busy and successful year.

Without McArthur, who is employed by Edwards Transportation, is home for 15 days.

Mr. and Mrs. C. B. Murphy and daughter, Claudia, spent the week end in Biloxi with Miss Nancy B. Murphy.

Roland Wilkinson, who is ill, is home on sick leave. We all hope to see him well and out soon.

Birthday Party.

Jacquie Del Carmen, daughter of Mr. and Mrs. John Del Carmen, celebrated her tenth birthday Saturday at the home of her parents, 116 Ballentine St., where she entertained a number of friends at a barbecue luncheon followed by a picture show in the afternoon.

The usual barbecue foods were served as well as the traditional birthday cake and ice cream. Guests were school mates from St. Joseph Academy.

Miss Del Carmen's important oil industry got its start, developed into one of the nation's great oil fields. It is the only Mississippi field which can compare with the large reservoirs for which Texas is famous.

No subsequent Mississippi discovery has yet equaled Tinsley in importance to the state or in cumulative production. After 15 years of production, it still ranks second among Mississippi's 95 fields in monthly output.

'Scarlet Spear' Playing At Star Sunday, Monday

The "Scarlet Spear" film in Technicolor and opening Sunday and Monday at the Star Theatre is the most recent film on Africa in a string of notable successes that began with "Trader Horn."

And, in more recent years, with the advent of Technicolor, the appeal of the film is even more probable.

WAVELAND WANDERINGS

BY GEORGETTE HALL

Mr. and Mrs. Stromeyer of New Orleans, La. are building a home in the fashionable Meadow Lane Division.

Mrs. Era Fresh has purchased a lot on St. Anthony St. and will build her home in the near future.

Mr. and Mrs. Emile J. Messana have purchased the Cavanaugh House and will occupy it on week ends.

Mr. and Mrs. Travis Bozeman and family spent a very pleasant week end in New Orleans visiting in the home of Mr. and Mrs. Walter Bernard and family.

Mr. and Mrs. Paul Haggerty, who reside at "Cricket Heath" have been over for the last week.

Mr. and Mrs. Walter Carver Sr. were visited during the last week by Mr. and Mrs. Harry Carver and Mr. and Mrs. Otto Gerbrecht of New Orleans.

Mr. and Mrs. Ott Stanley Brockman and daughters have recently returned

to the home of the T. H. Brockman after a trip to Meridian, Miss.

The lovely home of the Al Landers on Coleman Ave. has been purchased by Mr. and Mrs. William Ogden of New Orleans. The Landers' new home is located in New Orleans, where they will move in the near future.

This column extends to the Landers best wishes and takes this opportunity to extend greetings and welcome to the new residents of Waveland.

M and Mrs. Ed Gibson had as their Sunday guests Mr. and Mrs. Chris Goudy of New Orleans.

The Waveland Public School has again opened its doors to the children of the community and the teachers are strangely silent. Gone are the long lazy days spent in gathering tan for growing bodies now they are spent in search of knowledge. We hope that this year will be one of the best for the wonderful teachers and students in the school.

NEWS FROM BAY HIGH—

TIGER TALES

Again this year, that good ole booster school spirit is being revived. The students seem to be very enthusiastic over the coming games.

The cheerleaders, which were elected last week, are already busy making plans to boost the spirit to its peak and keep up the morale of the players. The slow movement in the halls is due to some of the students gazing at the posters which have been put up by the cheerleaders.

Efforts are being made to encourage everyone to come out and attend the games to cheer the Tigers to victory.

The rumble heard coming from the auditorium on Thursday of last week was not the ceiling falling down, but the election of the cheerleaders. The ones selected were Connie Ripple, Darling Normand, Rosemary Millinery, Gary Stouffart and Carol Sue Banderet. They were selected by the faculty according to applause given by students.

Three other girls who competed for the honor were Barbara Carr, Pat Lusich and Gail Banderet.

On September 22 Marcel LaNasa, band director at Bay High School, and Jim Shannon of Waveland in New Orleans will give musical aptitude tests

to pupils of the 4th through the 8th grades.

That evening (Wed., Sept. 22) at 7 p.m. Mr. Shannon and Mr. LaNasa will meet in the Bay High Auditorium with any parents of pupils interested in joining the Bay High Band.

The First Grade pupils have the pleasure of participating in the PTA meeting tonight. Georgia Horton will give a short report of activities in class.

Brenda Banderet, Betty Carol Hill, Toni Ladner, Danna Sellier will assist in ushering.

The First Grade room has forty-three paid up PTA members.

Mrs. Celine Ashcraft has been appointed principal for the new elementary school for 1954-55.

The senior class met and elected the following class officers for the year:

President, Kent Sellier; Vice President, Clayton Adams; Secretary, Shirley Bufkin; Treasurer, Donald Ladner; Reporter, Rosemary Millinery.

There are thirty-nine seniors who have enrolled at present.

On Monday, September 13, the B section of the sophomore class met and elected the following officers for the school year.

President, Henry Monti; Vice President, Richard Miles; Secretary & Treasurer, Sue Ann Osborn; Reporter, Janet Miller; Class Sponsor, Miss Clara Sellers.

TIGERS, ROCKACHAWS TO MAKE INITIAL GRIDIRON FORAYS THIS FRIDAY NIGHT IN N.O., FOLEY, ALA.

Tigers To Invade Nicholls High At NORD Stadium

The Bay High Tigers will open their football season this Friday night when they invade Nicholls High at NORD Stadium in New Orleans.

Coach Lance Lumpkin and his Tigers squad have been going all out this last week in preparing for the Rebels. The Tiger second string has been holding scrimmage sessions against the first string using Nicholls plays. A few weeks ago Stidell High topped the New Orleans team 27-14 in a scrimmage contest after they had earlier fought to a 12-12 tie.

Wednesday and Thursday afternoon the Tigers worked on polishing up on their defense, with the second string again using the running attack of Nicholls.

Tonight the Tigers will invade Nicholls at NORD Stadium.

Coach Lumpkin said he expects a terrific ball game with Nicholls and Lumpkin. The kids are going to give it their best shot.

Probable starting lineup for the Bay Tigers will be:

Right End: Ken Selzer
Right Tackle: Bobby Boudin
Right Guard: Larry Lockman
Center: Charles Moore
Left Guard: Lenny Backus
Left Tackle: Don Mearns
Left End: Clayton Adams
Quarterback: Donald Cole
Left Halfback: Henry Moore
Right Halfback: Hargrove
Fullback: Hargrove
Captains: Charles Moore and Ken Selzer

MSD BLANKS KILN 21-0 IN GRID SEASON OPENER HERE FRIDAY

The Mississippi School for the Deaf (MSD) blanked Kiln in a 21-0 victory in the opening game of the football season here Friday night.

MSD scored quickly in the opening quarter when they kicked a field goal. The Rebels were forced to kick a field goal in the second quarter to tie the score.

Kiln's only scoring was a field goal in the third quarter. MSD's defense was superb throughout the game.

The game was played at the Kiln school grounds. MSD's victory was a 21-0 final score.

The game was a hard fought one, but MSD's defense was too strong for Kiln.

The game was a 21-0 final score. MSD's defense was superb throughout the game.

Rocks Planning Air Attack In Foley Opener

The St. Stanislaus Rockachaws will open their gridiron season tomorrow night when they meet the Foley squad at Foley, Ala.

This will be Foley's second game of the season. Last week they defeated Baker (Ala.) High 33-6. The Rocks will play to Foley last night, 12:00.

An aerial attack has been planned by Coach Farley Day for this game. Quarterback Dickie Fakier will do most of the tossing, with Kenny Artigues aiding.

Completing the one-two pass attack will be ends Louis Laddner and Gene Schenayder. Berch Wilbert and backfieldmen Billy Rhodes and Woody Santa Cruz.

"If there is any one phase of the game that has satisfied me most, it is the Rockachaw passing," said Coach Day.

The Rocks will run from a regular T-formation. Probable starting lineup includes:

Left end, Louis Laddner
Left tackle, Leon Fazio
Left Guard, Frank Hill
Center, Maurice Artigues
Right Guard, Dan Mooney
Right Tackle, Douglas Talbot
Right end, Gene Schenayder
Quarterback, Dickie Fakier
Left halfback, Ed Hargrove
Right halfback, Billy Rhodes
Fullback, Woody Santa Cruz

In 1952 they won the Capitol Athletic Conference (Class B) and last year lost to Bryan 14-0 in a play-off for the title. Their regular season record last year was 8-0 with one tie.

Buildup coach Cecil Davis said that the squad is aiming for first place in the nation this year.

Kiln's weakest point Friday night was at the ends. The Jackson team repeatedly gained yardage around both ends.

Kiln's line and backfield was slow and uneasy during the first half but after the second quarter they played better ball. However, the team's tension was understandable in their first ball game.

The Wildcat backfield showed up better than expected. Quarterback Larry Laddner and Halfback Russell Mitchell broke through for some nice gains.

50 BOYS REPORT FOR JUNIOR ROCKS

The St. Stanislaus Junior team had its initial call and first practice Tuesday afternoon with 50 boys reporting.

Only returning lettermen on the Junior Squad are Quinten Cuevas and Donald Mooney. However, a large number have come up from last year's Tiny Rocks and an equal number of Brother Godfrey is assistant.

Brother Hubert is head coach and Brother Godfrey is assistant.

The Juniors, who last year went through a slow season winning only one tilt, have this far a four game schedule, with other games pending.

Boys out for the first practice included:

Quinten Cuevas, Wayne Favre, Francis Fontebon, Gustave Thomas, William Semons, Albert Martin, James D'Adros, Paul Dawson, Carlos Ortiz, Jorge Carara, John Robino, William Rathburn, Paul Lagasse, Alfonso Galan, Jesus Albo, Abland, Caceres, Robert Bunt, Nathan Carmadelle, Robert Carter, Joseph Leonard, Larry Favre, John M. Ladd, Alan Davis, Gustave Viderique, Davis Garcia, George Vigreux, Thomas Monti, Riley Adams, Rafael Castillo, Brooks Todd, Charles Rice, Oscar Ordozola, James Pickett, Charles Wittmann, Frank Rapier, Steve Foster, Gary Arnold and Augustus Babin.

Their schedule is incomplete but the following games have been arranged:

Sept. 25—McGill, there
Oct. 9—Picaune, home
Oct. 9—McGill, home
Nov. 9—Picaune, home
and games with Bogalusa High are tentative.

MOTORISTS URGED TO LOOK OUT FOR KIDS AROUND SCHOOL BUSES

With the opening of municipal and county schools, bright yellow school buses will once again become familiar sights on our highways.

Commissioner of Public Safety T. B. Birdsong today stressed to motorists the importance of exercising caution when approaching or passing buses loaded with youngsters.

"Don't for any reason pass a bus which is receiving or unloading young people," Colonel Birdsong states flatly, emphasizing that time spent safely passing a bus loaded with children is not wasted. Not only do we have state laws prohibiting a vehicle to pass a bus which is discharging or receiving youngsters, common sense warns the driver to stop adds the Commissioner.

Children are often very careless and many of the younger students will be going to school and "on their own" for the first time this fall. "Don't trust the child trust yourself. Always stop."

State law requires that the driver of a vehicle upon a highway outside of a public or residential district upon meeting or overtaking any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall bring the vehicle to a dead stop not less than 50 feet from said school bus. It shall be unlawful for any person operating a vehicle to pass a school bus when said school bus is stopped for the purpose of taking on or discharging school

earnestly hope many others will avail themselves of this opportunity to render a personal service to those patients by contributing their time, materials, money or special talents toward these ends. For further information, please contact Mrs. W. L. Argus, 911 S. Beach, Tel. 261 or Mrs. Elizabeth Weston, Red Cross Office, Court House, Tel. 67.

Carl Friedland, Director of Volunteer Special Services, Gulfport VA, announced at this meeting that an indoctrination course for prospective volunteer workers in the hospital will be offered by the Staff at the Hospital on Wednesday, Oct. 13, beginning at 1:30 p.m. Interested persons are asked to contact Mrs. Alberta Meyer, Gray Ladies Chairman, Red Cross, 701 S. Beach, Telephone 443-J, or Mrs. W. L. Argus or Mrs. Weston.

Jack Battalora, son of Mr. and Mrs. George Battalora, left Wednesday for South Bend, Ind., where he is a student at Notre Dame University.

558 STUDENTS ENROLL AT PRC THIS YEAR

At the first general assembly program at Pearl River Junior College held Sept. 8 in the school auditorium, President Garvin Johnston after welcoming the students, said: "Now is the time to have perseverance in order to succeed in school. 'Now is the time to commence work,' he said.

He also called on them to organize their time between academic and social life."

President Johnston also released the figures on the first three days of enrollment. There were 200 freshmen, 112 sophomores, 1 special student, 30 in cosmetology, 49 juniors (High School), 51 seniors (High School), and 115 in vocational education. This makes an overall enrollment of 558 students. However, this figure will be increased somewhat by the end of the second week as some entrants still are out who plan to attend.

Joe Thrash of Sellers, who is the new student body president, also addressed the assembly, welcoming them and urging them to make this year the finest in the school's history.

Harold Gully, the college GSA secretary gave the devotional and in turn introduced the assembly guests who included the Rev. I. H. Sells of the First Methodist Church and the Rev. Edward Morren of the Presbyterian Church both of Poplarville. Both ministers offered an invitation to the students to visit their respective churches in the community.

Miss Thelma Batson, accompanied by Mary Ann Mitchell on the piano, led the student body in singing "America the Beautiful" and the Pearl River Junior College Alma Mater.

Episcopal Apron Sale To Be Held Sept. 17-18

An apron sale will be held on Friday Sept. 17 and Saturday, Sept. 18 at Scharff's Jitney Jungle and C & S Fine Foods from 8 a.m. to 5 p.m.

The apron sale, featuring individual handstitched aprons of every type from general utility to the wispiest of tea aprons will be sponsored by members of Circle 1 of the Women's Guild of Christ Episcopal Church.

Last year the sale was so successful that early on the first day the stock became exhausted. A larger supply will be on hand this year, but Guild members suggest that shopping be done early for best selections.

Children therefrom. (Section 8226, (a) of "Rules of the Road")
Drivers violating the provisions of this act may be punished by a fine of not less than \$10.00, nor more than \$200.00 or imprisonment in the county jail for a term not to exceed six months, or by both such fine and imprisonment.

"Don't take a chance with the lives of our school children," urges the Mississippi Highway Safety Patrol. "Let the yellow school bus be a signal to drive cautiously."

BW GARDEN CLUB HOLDS FIRST FALL MEETING TUESDAY AFTERNOON

Members of the Bay-Waveland Garden Club held the first of the fall meetings at the home of Mrs. James L. Locascio Thursday afternoon of last week.

In the absence of Mrs. Waldo Otis, club president, the meeting was presided over by Mrs. Joseph Samuel, first vice-president.

Customary procedure was followed in an opening meeting of the season with constitution and by-laws being read by the secretary, an adopted budget submitted by a committee was approved by the members. Committee

chairmen were called upon for activities planned for the current year.

ALEMITE
CD-2
CONCENTRATE
Add it to the Motor Oil
for cars, trucks, tractors

Here's an amazing new product that will give your car the same sweet performance at 80,000 miles as at 20,000! That will prolong your motor life two to three times! Will keep your motor clean of carbon deposits, clean of all deposits that cause sticky valves and rings, sticking hydraulic valvetrains, loss of power and final breakdown. Here's all you have to do. Just add CD-2 to your present oil—or drain and add fresh oil and CD-2. The cost is trivial.

The benefits are immediate, sure and lasting. Get CD-2 today—for longer motor life for your car!

CD-2 is not to be confused with any product now on the market!

Don't accept substitutes as being "just like" CD-2. There is nothing like it. CD-2 will not dilute your motor oil—will not disappear or fade in a few miles. With good oil—it gives a heavier, longer lasting film for longer protection of vital parts.

Alemite
CD-2
\$1.35
and the best \$1.35 you ever spent!

Insist on CD-2 for these reasons:

1. Frees sticking and noisy valves, rings, hydraulic valvetrains.
2. Prevents carbon deposits.
3. Dissolves lacquer-like deposits on valves, pistons.
4. Eliminates rust and bearing corrosion.
5. Reduces heavy crankcase deposits.
6. Gives oil extra wear-resistant quality.
7. Absorbs moisture caused by condensation in motor.
8. Improves over-all operation of motor.

Gas serves you best

Smart, modern, economical gas ranges are preferred in homes everywhere. Whether you're cooking flapjacks or filet mignon, natural gas provides instant, even heat at any desired cooking temperature. You cook cooler with gas, too, because there are no long warm-up or cooling-off periods. . . . Yes, natural gas does all the big jobs in the home, more efficiently and at lower cost. We can all help keep it that way by seeing that the companies which produce this matchless fuel are encouraged in every way possible to continue the search for new reserves for the future. This is the best way we know to assure adequate supplies of natural gas—the biggest bargain in the home today, worth every cent you pay for it . . . and then some!
